Subject: Phone conversation and potential KRCC meeting visit

Hello Michael,

Still awaiting member responses to your requests to attend a Kalamazoo River Cleanup Coalition (KRCC) board meeting. As I indicated in one of my phone messages, we are working on a revision and update of our questions based on the responses we received from your last public meeting and FAQ sheet. We hope to have that finalized soon, but probably not until our next regularly scheduled meeting which is June 25th. I expect that at our meeting on the 25th we will be able to both formally adopt our questions/response and decide whether and when we could host you. We would likely set something special up that accommodates both you and the most board members, as our July meeting is usually suspended in order to host a Kanoe the Kazoo (on July 18th, please join us!)

That said, given all the phone tag and that I think you wanted to chat anyway, I thought I would reach out and just set up a time to talk. I am available by phone on Monday June 15th 9-Noon and Wednesday June 17th 9-Noon. I can call you or I will be on my cell at 217-899-6959. If you do still want to chat, let me know if either of those day/times will work for you.

Thanks, Denise
